Here's how it works:

- 1 Players are to be in full equipment for their photo, excluding only their helmet & skates. **Stick and gloves are required.**
- 2 Your player will be given a card to present to the photographer to have their photo taken.
- 3 Make sure you or your player retrieves the above mentioned card from the photographer once the photo has been taken then...
- 4 10-14 business days after November 27th, scan the QR code with your phone's camera to view your proofs, download your league purchased product, and order any photo products you might like to purchase.

All you need to do at the shoot is have your player's photo taken.
